## Classroom Notes

We are off to a great start in third grade! I have had a great time getting to know your children. We are going to have a wonderful year!

I will be emailing you a Signup Genius link in the next few weeks for classroom volunteers.

September reading logs have been sent home today! Please help your child log their reading time to return at the end of the month. This is a portion of their reading grade.

Due to the shortened week next week, I will send home spelling lists today. For regular weeks, spelling lists are sent home on Monday to prepare for the spelling test on Friday.

Our grading scale in 3<sup>rd</sup> grade is as follows:

100% E+	94-99% E
84-93% S+	75-83% S
70-74% S-	0-69% N
