

Mrs. Wester's October News

Classroom News

It is hard to believe we have already been in school for a month! Time flies when learning is taking place.

Our Halloween Party will be Wednesday, October 31st. The party will be after the all-school parade, occurring after last recess. Students may bring their costumes to school and change into them after last recess. I will be sending out a sign-up genius later this month for party treats.

Cold weather is coming. Please help your child dress accordingly. Please put names on sweatshirts and other articles of clothing. Students shed those layers of clothing in the afternoons as it warms up. If you are missing something- take a look in the ever-growing lost and found.

If you have any questions, please do not hesitate to contact me!

Subjects of learning

Math: We are continuing with multiplication and division. Please help your child with the flashcards that are sent home. Students who have access to a computer or tablet at home can also use Scootpad, Xtra Math, and Prodigy for math practice.

Reading: We have been working very hard at improving our reading and comprehension skills here at school! Please continue to read with your child at home and complete monthly reading logs. Reading logs are due on October 1st! These do count for a portion of each student's grade.

Social Studies: We will learn about our 50 states this month. Each student will focus on one state for a project we will complete at school.

Science: Nature Mondays are going well so far! We will also be focusing on life sciences in class throughout the month.
