

Mrs. Wester's December News

December Happenings:

Math: we will continue working in Unit 2, working with multiplication, division, and two step word problems.

Reading: We are working hard in reading! We are continuing to focus on using text evidence to support our answers in class. Please help remind your child to fill in their reading records at home. December reading logs are due on January 2nd. I will send home January reading logs before winter break.

Science: Our current unit is called "Animals Through Time".

Social Studies: We are presenting our States projects in class and learning about US regions.

Holiday Program: This year our program will be at Helena Middle School. The program starts at 9:30am. All students will ride the bus to and from Kessler School. If you would like to take your child out for the remainder of the day, please come back to Kessler to do so.

Holiday Party

We will be having a holiday party on Friday, December 21st at the end of the day. I will be sending out a Signup Genius link for treats.

Family Fun Night

Please join us for the 4th and 5th grade vs. staff basketball games on December 6th! This family night is in support for Hoops for Heart.

monday	tuesday	wednesday	thursday	friday
3	4	5	6 Family Fun Night 6- 8:00pm	7
